APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source, and with the understanding that all of the water herein granted will be returned to the stream at the point designated in the application free from deleterious matter, and with the further understanding that the proof of beneficial use, when filed, will show the power generated and the amount of water required and used therefor. The state reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 20.0 cubic feet per second.

Actual construction work shall begin on or before July 8, 1927

Proof of commencement of work shall be filed before August 8, 1927

Work must be prosecuted with reasonable diligence and be completed on or before July 8, 1931

Proof of completion of work shall be filed before August 8, 1931

Application of water to beneficial use shall be made on or before

July 8, 1932. Proof of the application of water to beneficial

use must be filed with State Engineer on or before August 8, 1932

Proof of completion of work filed Aug 9 1927
Proof of labor filed Aug 9 1927
Proof of beneficial use filed Aug 9 1927
Map Filed July 29, 1933

WITNESS MY HAND AND SEAL this 8th day of January, 1927.
